ABOUT ME

I'm a junior developer in the 3rd and last year of a Bachelor's degree in Computer Science. I have good technical skills as well as great communication and adaptation skills, enabling me to interact properly with other individuals. Also, I would consider my fast learning ability and passion as my biggest strengths. My main goal at the moment is to have as much as different experiences in order to improve my abilities.

WORK EXPERIENCE

(13/02/2023 – 13/02/2024) – Tirana, Albania

- **Data Analyst and Developer** at "PayLink SH.A"

My main focus here is to control, maintain, implement and provide data from different servers and for different jobs as reports, procedures or cards personalisation. Developed a lot of skills on PL/SQL and logical problem solving, also in communication as I took part in multiple meetings and training interns to explain complex information.

(16/05/2022 – 03/02/2023) – Tirana, Albania

- **IT Specialist** at "OTP Bank Albania"

My main focus here consists mostly in report generation, fixing front-end issues or hardware defects, checking datas, creating SQL scripts to perform certain jobs etc. I have seen improvements since I started working here in communication and scheduling, aswell in some PL/SQL skills.

(05/07/2021 – 27/11/2021) – Tirana, Albania

- **Web Developer Intern** at "NEBULA Ltd"

My main focus was to learn and improve front-end skills with web app development fundamentals as well as programming languages and frameworks such as HTML, CSS, JavaScript, ReactJS, Bootstrap, Tailwind and many other libraries for creating efficient web applications. Achieved knowledge and skills on UI/UX designing by using Figma. Also, working here improved my abilities on how to work properly in a team.

(06/06/2019 – 05/09/2019) – Tirana, Albania

- **IT Support Intern** at "New Albajrak SH.P.K"

My main focus was to monitor and maintain the company computer systems, install and configure hardware and software, and solve technical issues. During my time here I developed a great knowledge on computer systems, their hardware and software components and network components.

EDUCATION AND TRAINING

(11/10/2021 – Present) – Tirana, Albania

- **Bachelor's Degree in Computer Science** at "Polis University"

Got an innovation scholarship with my high-school diploma project which consisted on creating a game with Unity and C#.

(11/09/2017 – 30/06/2021) – Tirana, Albania

- **High School Diploma** at "Hermann Gmeiner Professional ICT High School"

Fundamentals on Object-Oriented Programming (C++, C#), Databases (SQL/MYSQL), Project Management, Networking, etc.

(18/02/2021 – 12/12/2021) – Tirana, Albania

- **IT Essentials Course** from "Cisco Networking Academy"
